Why Print your UPS Label through Newegg?

- Discounted Shipping Rates

You'll receive a better rate through Newegg than you would by going to your local shipping store.

- Pre-filled Package Information

We'll automatically enter the package weight and dimension information using our item database for quick and easy label creation.

- Simplified Claims Process

Should anything happen to your package on its way back to Newegg, you can contact our award-winning Customer Service Department for an expedited claim.

Return Instructions:

- In order for Newegg to effectively process your RMA request it is essential to include everything the product(s) shipped with. This may include but is not limited to: manuals, software, cables and the original retail packaging.
- You must clearly write your RMA number on the outside of the shipping box. If you send multiple RMAs in one box you must write each RMA number on the outside of the package. Please also be certain to carefully mark and separate the items in the box so our Returns Department can accurately process your RMAs.
