

**NOTES:**

1. Material is 3/16" FR-4 Fiberglass sheet.
2. 2 pieces.
3. Holes are in a 16 x 16 grid with horizontal hole spacing of 1.100" and vertical spacing of 1.000".
4. Hole tolerances are +0.015" -0.000" on diameter, +/- 0.025" on nominal hole position.
5. Piece dimensional tolerance is +0.000", -0.030".
6. All holes to be de-burred.
